REDHILL BAPTIST ECO-CHURCH TOP 10 PRIORITIES IN 2023

Worship & teaching

1. Creation themed services
2. Creation care themed teaching

Buildings

3. Conduct a travel survey
4. Calculate church carbon footprint
5. Carry out cost-benefit feasibility study for solar panel installation at church

Redhill Baptist Church Travel Survey 2023

We are undertaking a survey of travel patterns to and from Redhill Baptist Church (RBC) services, activities, groups and events during a typical month for you or your household. This forms part of a wider activity being carried out by the Creation Care team to help us understand the environmental footprint of Redhill Baptist Church, as a step in our journey towards the A Rocha Eco Church silver award.

Land

6. Volunteer team for monthly Church garden work party. Help encourage biodiversity.

Community & Global Engagement

7. Twin more Church toilets, and add bins and taps!
8. Signpost Church to events & campaigns e.g. Tearfund, Fairtrade

Lifestyle

9. Environmental lifestyle surveys
10. Highlight resources to reduce household environmental impact

Creation Care

Encouraging households
to care for God's world
